## NURSERY & TRANSITION 1

The Nursery and Transition 1 students will be learning all about:

### **Opposites**

Activities will help children understand and begin to use oral language for conversation and communication.

Cognitive goals: Use senses to investigate environments.

*“A child’s play is not simply a reproduction of what he has experienced but a creative reworking of the impressions he has acquired.”*

~Lev Vygotsky

## TRANSITION 2 & PRESCHOOL

Transition 2/Preschool students will be discussing and exploring:

### **Choices**

Students will communicate their basic emotions and feelings while they expand their comprehension of connection between emotions and feelings as they relate to behaviors.

Math and science focus: Comparing sets, one-to-one correspondence.

*“The wider the range of possibilities we offer children, the more intense will be their motivations and richer their experiences.”*

Hello, families!

As we enter November and reflect on our blessings, I want you to know how thankful we are to have you as part of our school family. These relationships create strong home-school connections that are critical to your child’s success.

Children will once again be celebrating Thanksgiving in their classrooms with their school family on November 17, 2023.

Some safety tips to keep in mind:

- PLEASE hold your child’s hand when leaving the building.
- PLEASE do not loiter in the lobby/parking lot.
- Feel free to call the classroom ahead of pickup and staff will have your child ready.

I am grateful for your continued support of ECDC and the mission of Envision.

We are truly blessed and thankful to have your children here with us.

***Happy Thanksgiving!***

Be blessed, Teresa
