

## FROM THE DESK OF TERESA HOUSTON, ECDC DIRECTOR

**Hello families!**

Summer is kicking off with a bang!

We appreciate you taking time out of your busy schedules to join us in celebrating 15 wonderful years of ECDC at our graduation. We are truly grateful for the experiences of the past 15 years and eagerly anticipate what the future holds for us!

Learning doesn't take a break just because it's summer. Get the kids buzzing with exciting activities such as diving into summer stories, unleashing their inner Picassos, and experimenting with quirky science projects that foster creativity and family bonding. Each moment is a treasure trove of exploration and growth!

Our summer program is crafted to ignite young minds and maintain the joy of learning. We'll dive into new topics each week, ensuring that everyday brims with opportunities for wonder and excitement.

The children will enjoy outdoor water play and engaging themes all summer long.

Here's to a season filled with laughter and adventure, and a big high-five for supporting your child's education!

**Thank you for sharing your children with us!**  
**Be blessed, Teresa**

## NURSERY AND TRANSITION 1 NEWS:

Nursery/Transition 1 students will examine:

### Farm Animals

Lessons surrounding lions, tigers, elephants, and so on, will help children develop control of large muscles for movement, navigation, and balance. They will begin to understand safe and unsafe behaviors through engaging social emotional development activities.

## TRANSITION 2 AND PRESCHOOL NEWS:

Transition 2/Preschool students will examine:

### Science Exploration

Students will explore the wonders of outer space, delving into topics such as stars, planets, the sun, and the moon. In addition to this cosmic journey, they will discover fascinating creatures that once roamed our planet, including dinosaurs.
